0 seconds

P1 (Thomas Bradshaw, Recycling Operative): I came through these doors with nothing compared to what I have now. I was diagnosed with chronic depression,

6 seconds

P1: chronic stress, and severe anxiety. USEL got me out of that bubble, prepared me for work.

13 seconds

P2 (Scott Jackson CEO, USEL): USEL is an organisation that was created to assist people with health related conditions and disabilities gain and sustain employment.

23 seconds

P3 (Paul Potter, Production Coordinator, Manufacturing) : Since coming to USEL, my skills and my confidence has skyrocketed. Even health-wise, my health has improved because I'm working because I'm active.

34 seconds

P4 (Cora Callaghan, Skills for Life And Work Learner) USEL changed me being more confident and being outgoing more and be able to talk to more people. My dream job is to be a classroom assistant and they helped me to get it.

44 seconds

P1: If it wasn't for here, where would I be? Would I be six foot under, would I be this, would I be that?....

50seconds

P1: I don't known, I was that bad.

52 seconds

P5 (Jack Evans, Multi Site Cleaning Operative): The staff went above and beyond. The caring, compassion nature it's definitely been a complete game changer for me.
