

OUR SERVICE INCLUDES:

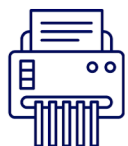

Choice of **bags or bins**

Depending on volume required.

Traceable Bag/Bin Status

We can identify the current status (received, delivered to depot, awaiting destruction, destroyed) at any point in time.

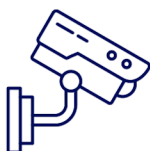

Quick turnaround

We guarantee secure shredding within one business day from the collection date.

Certificate of destruction

We provide a Certificate of Destruction for audit purposes.

24/7 recorded Security

Ensuring constant security for your confidential information.

Securely handled

Our staff are vetted for security by Access NI and are CTC checked (Counter Terrorism).

WHY CHOOSE US?

U Shred NI's confidential waste management offers tailored solutions for safeguarding customer information and securing commercially sensitive data. We specialise in confidential paper shredding and serve organisations throughout Northern Ireland as their trusted partner.

Our established best practices include routine confidential destruction and secure document disposal, ensuring compliance with relevant legislation.

Trust us for proven and reliable confidential document destruction through secure document shredding methods.

028 9693 0604

sales@usel.co.uk

Our secure document shredding service covers Councils, Schools, Banks and Government Departments, as well as a range of smaller businesses across Northern Ireland.

THE ADVANTAGES OF CONFIDENTIAL DOCUMENT SHREDDING:

Identity protection

Confidential document shredding prevents identity theft.

Data Protection & GDPR Compliance

Ensures corporate responsibility as per Data Protection and GDPR regulations.

Corporate security

The protection of sensitive data.

Safeguarding your people

Protection of employee and customer data.

Cost-Saving Advantage

Confidential shredding eliminates redundant documentation, creating space for cost-effective administration.

Adhering to Best Practices

We follow BS EN 15713:2009 guidelines for the secure storage and destruction of confidential information. We are ISO 45001 accredited underscoring our commitment to maintaining safe and healthy workplaces.

Our standards are subject to internal auditing as well as annual external audits by NQA
